

BEST UK SNOWSPORTS RETAILER

PRESENTED BY
THE TELEGRAPH SKI AND SNOWBOARD

Ellis Brigham Mountain Sports

Still family owned after nearly 90 years and with Snowsports experts in every store and online our customers shop with us because they know they're guaranteed a knowledgeable, friendly and efficient service.

Updates to our service in the last year include Click & Reserve and Store to Door offering unrivalled convenience in our sector when shipping of skis and snowboard equipment.

We continue to offer a vast product range offers many choices; eg last winter we stocked over 70 skis and 60 different ski boot models.

To ensure our range is the best we ski every ski and ride every snowboard - which culminates in our video reviews, showcasing both the equipment and our expert knowledge to help customers find their dream piece.

With in-store talks, clinics and films we engage and educate our customers in the correct and safe use of gear, with the outstanding Henry's Avalanche Talks now running into its seventh year!

We give back to the snowsports community by sponsoring grass roots skiers and snowboarders giving them exposure via our annual film Britain's Got Skiers. We also donate through ski tie purchases to GB Ski & Snowboard. This year we will be supporting the British Snowsports fund by giving customers the opportunity to make donations in store and online with every purchase.
