Fish&Pips has established a reputation for outstanding cuisine, impeccable service, and unbeatable value. Originally founded in 2005, Holly Chandler (née Fisher – the 'Fish') and Philippa (the 'Pips') Hartley's unwavering dedication to food excellence and irresistible chalet holiday formula challenged the status quo and captured the imagination and taste buds of many a skier.

Now offering nineteen beautiful chalet holiday options in Meribel and Val d'Isere, Fish&Pips remains true to its core values, at the forefront of catered mountain holidays, and continues to evolve with a brand new 5* chalet and 'Michelin star experience' planned for guests in 2017-18.
