The Boutique Chalet Company

www.theboutiquechalet.com

The Boutique Chalet Company is redefining mountain luxury. From the award-winning properties our guests stay in, to the level of service we deliver - we dedicate ourselves to creating truly luxury ski experiences for all our guests across the resorts of Chamonix, Meribel, Morzine & Les Gets.

We scour the globe looking for inspirations outside the ski industry to transform our guests' experience - from the organic Bamford Spas in all our properties, to Kaiseki, our Japanese multicourse dining experience, our Ski Healthy Packages, 48-hour ski breaks, and our virtual-reality chalet tours, we strive to redefine. Help us continue.
